

NCER Support Events

NCER have the following events planned this academic year to help support local authorities get the most out of Nexus.

- **Social Care (CLA/CIN) & Attainment Data Essentials** (8th Nov 2022) [click here to view slides](#) (video / Q&As to follow)
- **Preparing for 2022/23 Assessments** (Spring 2023)
- **Social Care CLA/CIN data in Nexus Refresher** (Spring 2023)
- **National Association of Virtual School Heads (NAVSH) conference presentation** (March 2023)

NCER Nexus Update

NCER KS4 Results Day Analysis – LAs using this popular spreadsheet service this year were slightly down on 2019. Do consider supporting the NCER Community in **sharing 2023 KS4 headline data on results day** so that the NCER national figures can be as robust as possible months ahead of DfE published figures.

The **KS4 Exam File import** in Nexus now means the NCER membership have early pupil level KS4 data ahead of DfE publications to enable early vulnerable group analysis. We are planning to run this functionality again in 2023.

Do consider these useful KS4 early data services in your planning for 2023 KS4 results.

Please see [Nexus Data Availability Timetable](#) for information about expected timeframes for 2022 data releases into Nexus.

NEW support documentation for 2022/23 Primary Assessments are listed in our [recent bulletin](#) including

NCER Annual Members' Meetings

The **2022 NCER Annual Members' Meeting** again had high attendance with online events continuing to prove popular with the membership.

For anyone unable to attend the **2022 NCER Annual Members' Meeting** this year the **videos** and **documents** can be viewed [here](#), **2022 NCER AGM minutes** [here](#) and the **final NCER CIC Annual Report for 2021-22** with approved and audited accounts can be viewed [here](#).

The **2023 NCER Annual Members' Meeting** will be held online on **Thursday 18th May 2023**. Look out for future communications and the booking link.

these NEW support guides:

Coming soon to Nexus...

Severely Persistent Absence (50%) indicators throughout Nexus, including within CLA and CIN Insight analysis.

SEND2 Consultation document on pupil level analysis in Nexus. This will be shared with local authority key contacts so that local authorities can input into this significant 2023 new development in Nexus.

Click for more information about [Upcoming \(and Delivered\) Developments](#) in Nexus.

NCER CIN Analysis Update

NEW CIN reporting coming soon to Nexus in November 2022 to include **Nova reporting** and **Insight Headlines and Intelligence**.

NCER CLA Analysis Update

2020 & 2021 CLA final NPD data is now in Nexus providing full and **comprehensive CLA Cohort Reporting**, including **2020 & 2021 KS4 CLA Data** in Nova Reporting and Insight Headlines and Intelligence

NCER continue to work hard behind the scenes with the DfE to gain unique data permissions on behalf of the membership. If you haven't yet had a look at the wide range of detail in **CLA or CIN Cohort Reports**, do log into Nexus and take a look.

NCER Membership

NCER membership enables **resource saving** with the **ability to generate revenue** from a Traded Service. Some LAs are generating over 100K for their LA please contact us on feedback@ncer.org if you would like to discuss how to set up a traded service with your schools using Nexus and Perspective Lite. Click [here](#) to see the many ways NCER membership benefits your LA.

NCER's Managing Director will confirm each **local authority's 2022/23 membership charge and payment arrangements in November / December 2022**.
